Keynote Speaker: Christina Meredith

Empowering others with her inspiring life story, Christina survived traumatic abuse, aging out of foster care, poverty, and homelessness to forge a life committed to helping others. Christina was Miss California, founded her own nonprofit foundation for abused children, and turned her enlistment into a commissioned officer in the U.S. Army.

Today, she is a best-selling author, award-winning speaker, award-winning child advocate, and fierce champion for foster youth. As told in her bestselling book, *CinderGirl: My Journey Out of the Ashes to a Life of Hope*, during appearances on the Today Show and before audiences nationwide, Christina's story celebrates the transformative power of the American Spirit, and the potential within all of us triumph over adversity.
